

CONTENTS

| | |
|---|----|
| Preface | 7 |
| Introduction | 9 |
| Faculty Listing | 11 |
| Department Summary | 15 |
| Project Summaries | 21 |
| | |
| A Blueprint for Research in Defense Acquisition | 46 |
| America's All-Volunteer Force | 27 |
| Analysis of Budget Reduction, Cost-Avoidance, and Financial Management Initiatives in COMNAVAIRPAC | 34 |
| Analysis of DoD Reinvention, Financial Management Education, and CFO Act Implementation ... | 36 |
| Chapters 1-6 and 8 of Navy and Defense Inventory Management | 38 |
| Contingency Force Pool Unit Readiness Geographic Information System (GIS) Analysis and Model Augmentation | 49 |
| Converting Conventional Executive Management Education Modules to Asynchronous Network Based Learning Formats | 26 |
| Decision Support for Command and Control Using the World Wide Web | 46 |
| Decision Technologies | 21 |
| Disputes Arising Under Department of the Navy Support Services Contracts: An Analysis of Those Litigated for Common Patterns/Errors and Recommendations for Avoidance | 26 |
| Diversity Analysis for USN Leadership Continuum | 50 |
| Econometric Projection of Army Personnel Strength | 33 |
| Efficient Estimation of Population Proportions | 51 |
| Evaluation of Knowledge-Based Software Engineering (KBSA) Tools and Requirements Engineering in KBSA | 47 |
| Examining Large Scale Change in Two DoN Organizations | 33 |
| Generic Product and Service Quality Economics | 23 |
| Hands-On Network Lab Upgrade | 22 |
| Individual Firm Strategic Change | 29 |
| Interorganizational Collaboration | 43 |
| Investigation of DoD Inventory Management | 37 |
| Joint Stand-Off Weapon (JSOW) Alpha Contracting | 42 |
| Knowledge-Based Re-engineering: Intelligent Tools Development and Testing | 42 |
| Knowledge Management, Protection, and Growth: Moving from Tangible Assets to Potential Trajectories | 47 |
| Land-Based Search and Rescue (SAR) Outsourcing | 32 |
| Layout and Design of Freight Terminals | 31 |
| Leadership and Retention in Troop Program Units (TPU) Phase IV: Validation and Implementation of Leadership Feedback | 34 |
| Manpower Systems Analysis (MSA) Faculty Research to Support N-1 (Chief of Naval Personnel) | 39 |
| Military-Technological Potential of U.S. Adversaries | 32 |
| Multiple-Choice Tests in Classical and Modern Test Theory | 50 |
| Naval Postgraduate School Research Support for Naval Inventory Control Point (NAVICP) - Evaluation of Automated Non-Standard Requisitioning System (ANSRS) | 30 |

| | |
|---|-----|
| Office of the Secretary of Defense (OSD) Special Pay Model | 39 |
| Part and Partial Correlations in Standardized Testing | 52 |
| Public/Private Ventures: How to Remove Barriers and Increase Incentives for Installation Commanders to Be Creative and Save Federal Funds..... | 24 |
| Readiness-Based Sparing Replenishment Model for Repairable Items | 38 |
| Reliability Modeling for Safety Critical Software..... | 44 |
| Recruit Station Location Project..... | 40 |
| Seanet..... | 24 |
| Seanet Industry Assessment..... | 23 |
| Sequential Testing for Selection | 51 |
| Study of Socioeconomic Status and Personnel Performance in the Military | 28 |
| Systems Management Research Support for the Ramp Program | 29 |
| The Acquisition Process - What Should it Be? | 40 |
| The Impact of Deployment on U.S. Army Reserve Units | 21 |
| Tricare Contracting | 25 |
| Understanding the Acquisition Issues in Information Security Management | 41 |
| Unit Readiness Impacts of Unsatisfactory Participants | 50 |
| U.S. Alliance Agreements, Military Spending, and International Relationships in the Pacific Basin | 31 |
| Publications and Presentations | 53 |
| Thesis Abstracts | 63 |
| Initial Distribution List | 157 |
